 **WKF APPROVED**

The diagram illustrates a sequence of events or data points represented by red and blue rectangular blocks. The blocks are arranged in a descending staircase pattern from left to right. Each block is connected to the next by a horizontal line. The final section of the diagram shows two specific data points: 'BLUMFELDS MARKS (IPPON,LAT)' and 'KONIČEVŠ MATVEJS (BKK_LAT7,LAT)'. These are represented by red and blue blocks respectively, with numerical values (0, 2) and a label 'PTS' indicating a score or time difference.
